

General campsite regulations Daydream 2015

These campsite regulations apply as “internal regulations” on the Nightdream Campsite during 10-11-12 April 2015. Anyone who buys a Nightdream Campsite ticket declares thereby that they agree to the following campsite regulations.

The campsite opens on Friday, April 10th, 2015 at 12.00 am and you must leave the premises on Sunday, April 12th for 12.00

As a visitor, you can be pre-searched. Access will be denied to those who not co-operate, without refund of any fees.

Only visitors with a valid camping bracelet are allowed at the campsite.

The campsite is strictly forbidden for people under the age of 16.

Camping visitors must check-in at the cash registers at the entrance of the campsite. ID and age will be checked here.

Campers can use the following services: toilets, showers, running water, electricity point, camping shop, etc. There is no power supply for camping visitors to the tents.

Forbidden on the campsite:

- Cars , bikes and trailers
- Shopping carts (only wheelbarrows and trolleys that fit through the visitation gates are allowed.)
- Glass or other sharp objects (including glass jars with food)
- Tapping plants (self-tapping kegs are allowed to 5L)
- Gas cylinders (only the smallest size (max. contents 250g) is allowed)
- Sound Equipment
- Open fire between the tents (barbecue or small gas fires can only be used at the barbecue area)
- Aggregates, car batteries, power groups or generators
- Pets except guide dogs for persons with visual disabilities.
- Drugs or other narcotic substances or substances that can be used as drugs
- Weapons or items that could be used as a weapon
- Climbing and / or destruction of fences and / or other facilities or infrastructures
- Graffiti, confetti, party ploppers etc.
- Clothing that can be challenging or provocative and fluorescent jackets
- Trade in goods of any kind without permission from the organization
- Being disturbing under the influence of any drugs (including alcohol or medication)
- Dry Ice
- Barricade Firebreaks or emergency exits . If this is the case, the organization is free to move this material for safety reasons.
- Pasting promotion (flyers and posters) from other events without permission from the organization
- Any form of verbal and non-verbal aggression

Always follow the guidelines from the campsite stewards, security and emergency services. In cases of discussion, the manager of the campsite has the final word. Use your common sense and don't bring others in danger!

Please follow the instructions from the campsite stewards while placing your tents and keep emergency exits, emergency paths and passageways free. Follow the instructions; otherwise you can assemble your tent twice! The campsite stewards can move misplaced tents without permission of the owner.

Always keep the safety route free. Tents on this road will be moved without notice.

Campsite visitors stay at their own risk on the premises overnight. The organization is not responsible for any physical or material damage.

When you violate the rules above, you lose the right to residence at the campsite without refund of any fees.

Additional regulations caravan / camper campsite Daydream 2014

- The special caravan / camping campsite is only accessible if you are in possession of a caravan / camper ticket. This ticket costs € 30 per caravan / camper. These tickets are only available in the advance sale of the festival.
- A caravan / camper pitch is maximum 18m² (6m x 3m)
- Placing a tent near your caravan/camper is allowed as long as you remain within your assigned section of 3m 6m.
- Vehicles who are actually registered as " camping vehicle " are allowed (temporarily converted vehicles with a mattress in it are not allowed).
- Caravans and campers that are longer than 6m are not allowed.
- Cars are not permitted on the premises. It is only possible to reach your camping place with your car, afterwards you have to park your car in the visitors parking.
- The general camping regulations also apply to the caravan and camper areas. So no sound systems, no gas, no excessive amount of alcohol, just closed beverage containers, no glass, no fireworks, no: sofas , shop ride , cycling , etc ...
